If possible, send this guide's link to another device and view the steps on that device while you use the device you are using to join the class to follow along and do your registration.

1. Visit the Success Center Homepage at www.success-c.com by clicking on the link directly, typing it into your browser's address bar, or copying and pasting it into your browser's address bar.

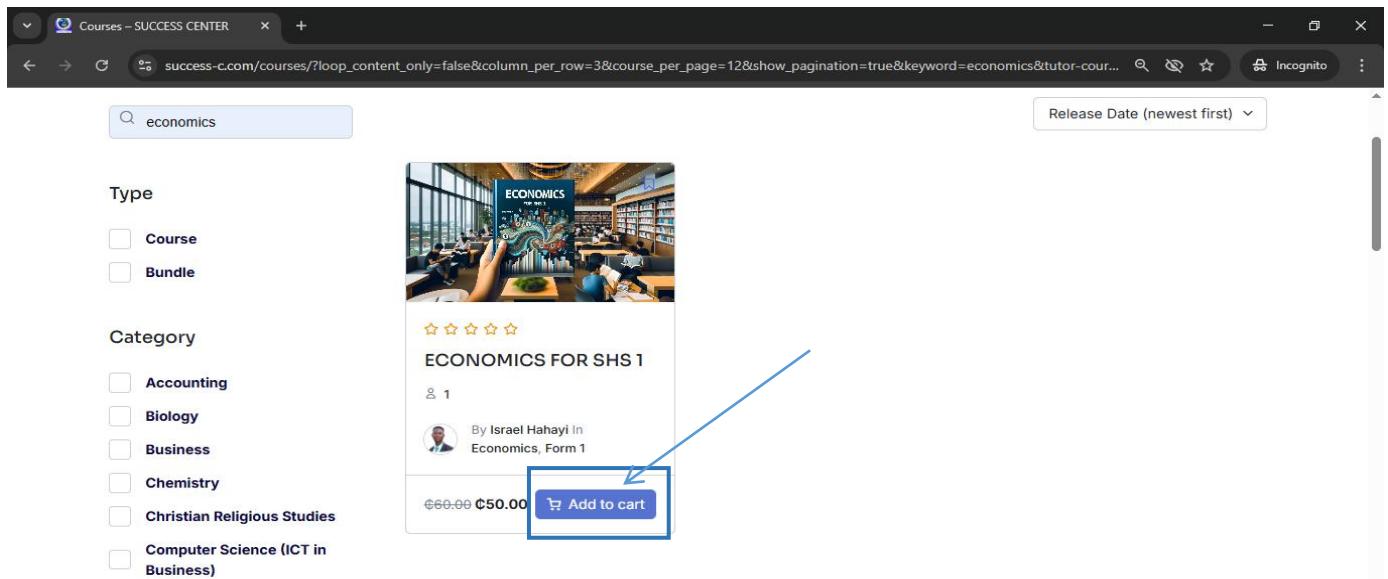

2. Click on Courses. **NOTE:** If you are using a mobile phone, click on the menu icon (the 3 lines at the top), then click on 'Courses'.

3. On the course page, search for each elective you want to register, and click on ‘Add to Cart’ found at the lower right side of each course.

If you are using a mobile phone, click on the filter icon (the three lines at the right top side on the course page). Then, look at the left side of your screen and check or mark your program (e.g. Business, Home Economics, etc.,), your class (E.g., Form 1, Form 2, etc.,) and all the electives subjects you want to register (E.g., Economics, Biology, etc.,). Now, click on the ‘close filter icon’ (the ‘x’ icon at the right top side) to return to the courses. The filter will be applied, and you will find the courses you checked.
